

Felix O'Hare & Co. Ltd believes that one of its most important functions is the prevention of accidents and ill health. We do not wish any of our employees or any other person to suffer as a result of our activities or work processes. To this end, we intend to rigorously comply with all relevant health and safety legislation, including the Health & Safety at Work Order (NI) 1978, all regulations made under this Order, all Codes of Practice and best guidance. The effective management of drug and alcohol abuse is an integral part of this.

It is the policy of Felix O'Hare & Co. Ltd :
